

Thank you, and congratulations for choosing 5th Point for your IRATA International Rope Access Training Course. In this information sheet you will find additional information about your chosen level of IRATA training.

Training Requirements

All IRATA Course candidates must attend a minimum of four days of training, followed by one day of assessment. This includes re-validation of existing qualifications.

Candidates that are wishing to upgrade an existing IRATA ticket must have an in-date qualification on the date of assessment. If your qualification has expired, please contact us immediately on +61 (0) 2 9939 6140 or through training@5thpoint.com.au.

Candidates that are re-validating or upgrading an existing IRATA qualification must present an up-to-date IRATA Logbook on the first day of training. Failure to present an up-to-date IRATA Logbook will result in the candidate being excluded from the course due to non-compliance with the IRATA Training, Assessment and Certification Scheme.

Level 1 Course Requirements

| | |
|----------------------|--|
| New | <ul style="list-style-type: none"> • No prior experience • Aptitude for heights • Reasonable level of fitness • Minimum age of 18 years old. |
| Re-Validation | <ul style="list-style-type: none"> • Up-to-date IRATA Logbook |

Level 2 Course Requirements

Training Support

On the first day of your course you will be supplied with 5th Point's Rope Access Training Manual as well as information about and access to IRATA publications including the International Code of Practice (ICOP) and the Training, Assessment and Certification Scheme (TACS).

If you have the opportunity to review these documents, particularly the TACS, prior to undertaking your training, they are available at the following links:

IRATA Training, Assessment and Certification Scheme: <https://irata.org/downloads/2059>

IRATA International Code of Practice: <https://irata.org/downloads/2055>

Where are we?

Our courses are run out of AP8 - ActionPact, Unit 4, 15-21 Gibbs Street, Arundel, QLD 4214. The AP8 office can be contacted on +61 (0)7 5667 9435.

Our head office is located at 21 Old Pittwater Road, Brookvale in New South Wales.

What to bring

Please ensure that you wear suitable clothing for active movement. The training facility can be very hot in summer and very cool in winter, but rope access is a physical activity and appropriate layering of clothing should be chosen for the time of year. Enclosed footwear must be worn at all times; strong sturdy shoes are the most appropriate.

All rope access equipment will be provided for trainees, so there is no need to bring any of your own equipment.

Onsite Facilities

Tea, coffee and water are provided free of charge. Course candidates also have access to kitchen facilities. There are local shops within walking distance to the training centre.

Where to stay

There are number of hotels and hostels in Arundel, which is a short commute away via public transport, walking or car. We do advise that you check the distance needed to travel to get to AP8 – ActionPact and the time it will take, to ensure you are at the training facility prior to commencement each morning.
